Global Regulatory Trust

Licensed as a Gold Bank by the Bank of Italy (Mac & Ro Srl), we adhere to the highest European standards of transparency, legality, and integrity, ensuring client confidence worldwide.

Mac & Ro Capital FZC – Dubai Hub

Strategic Gateway: Dubai serves as the premier global hub for physical precious metals. Our FZC entity leverages this world-class infrastructure to serve the MENA region and beyond.

- Licensed operations in the UAE
- Direct access to Dubai Multi Commodities Centre (DMCC)
- Sharia-compliant investment strategies

Visionary Leadership Team

Dr. Angelo Rossi

Group CEO & Visionary. A highly skilled international manager with a global network in precious metals banking.

H. Burak Erten

Exec. Director. Over three decades of geopolitical and financial expertise in capital markets and fund management.

Compliance & CFO

Headed by top-level managers ensuring Sharia compliance and transparent financial reporting across all entities.

The "Gold Swipe" Revolution

Digital Gold Access: We are redefining how you interact with your wealth. The "Gold Swipe" concept embodies the effortless liquidity and mobility of gold via the OROVIVO App.

Convert, swap, and manage your physical gold holdings as easily as a swipe on your smartphone. High-tech accessibility meets high-value physical assets.

Deluxe Metal Account

Wakalah Model

A fully Sharia-compliant gold management solution where you retain 100% ownership. Gold is stored in audited, insured vaults and managed as your agent.

Ethical Valorization

Optional participation in real, asset-backed activities. No interest-based or speculative trading—only ethical, Sharia-approved growth opportunities.

Location Swap of Gold

Efficiency

Transfer metal ownership between global hubs without the high cost and risk of physical transport.

Global Reach

Swap locations instantly between Dubai, Zurich, Singapore, and Italy to meet your liquidity needs.

Instant Liquidity

Move your assets to the most favorable market at any time through the OROVIVO digital interface.

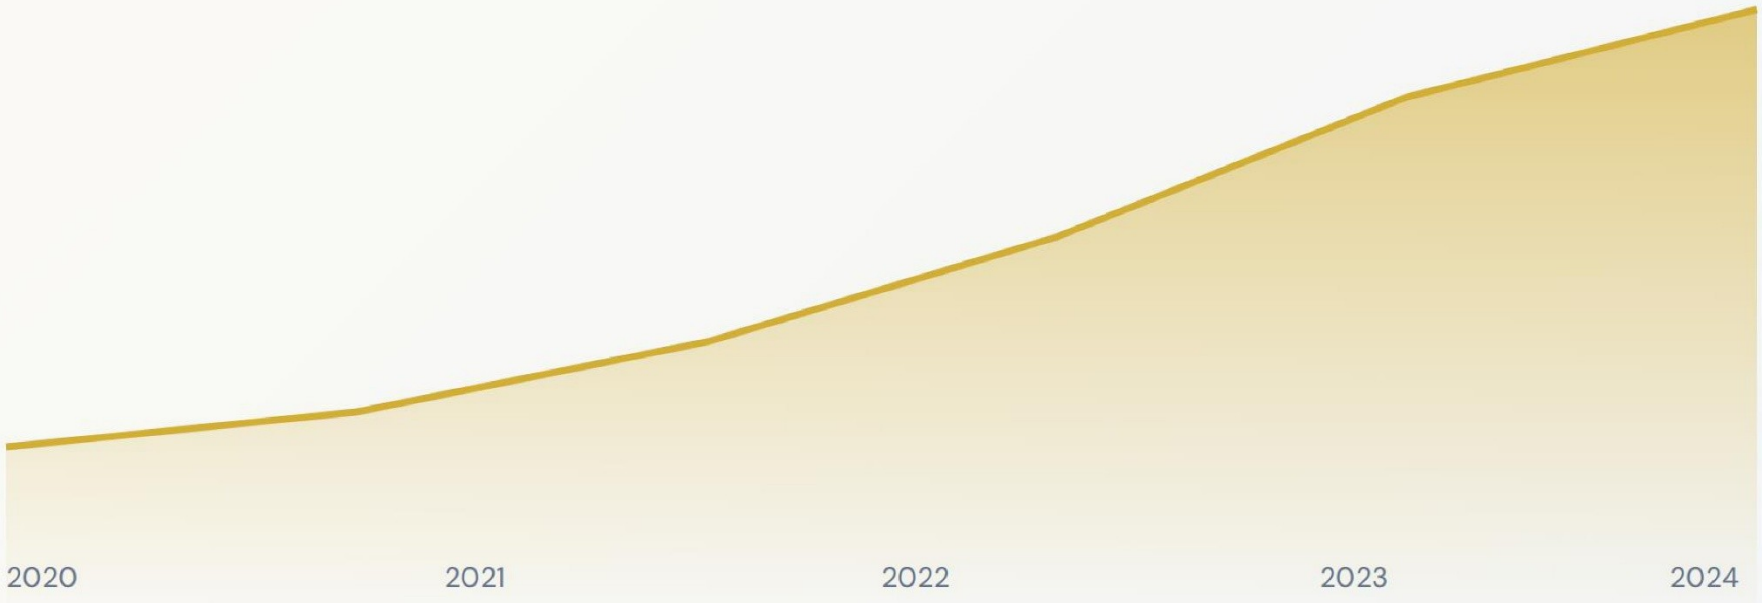
Certified Physical Products

1 kg Gold Bars: Investment-grade 24K (999.9) purity, LBMA certified.

Casted Ingots: Meticulously crafted bars from 50g to 500g for diversification.

Micro-Gold: 1g to 10g pieces for flexible wealth management and gifting.

Gold Market Performance



Gold remains the ultimate hedge against inflation and currency volatility, showing consistent long-term growth.
